School Bond Vote Scheduled Next Week In District

Felte Only Candidate Up For Election On Local School Board

Voters of the Tahoe Truckee Unified School District Tuesday will go to the polls to decide whether or not a proposed $390,000 bond issue shall be authorized. At the same time they will vote for three unopposed school officials.

Jack Felte, president of the board of directors, is the incumbent candidate and unopposed for relection. Herbert T. Perry is a candidate for area 4 on the Sierra College District Board and Willard H. Dietrich is unopposed as candidate on the same board from area No.3.

A two-thirds majority of the voters in the Tahoe Truckee District is required for the bond issue and so everyone concerned is urged to ballot on this important matter. Members of the school board have contended that the cost to the average taxpayer will be small but that the future of the district, particularly in the fast-growing Kings Beach community is at stake.

The increase in enrollment there has virtually crowded out many of the students and unless the bond issue carries, providing for additional classrooms, it will be necessary to transport some of the students to Tahoe City and it will be impossible to return the seventh and eighth grades to their respective home schools, as is proposed.

The polls will be open from 7 a.m. to 7 p.m. and will be at the elementary schools, with the exception of Floriston where the polls will be at the post office.

Aside from Kings Beach, where the situation is most accute, additional facilities are needed at the Donner Trail School.

Donner Florists Is Sold By Local Pair

After conducting a successful business at the Donner Florist and Gift Shop located in the Gateway Shopping center, for the past eight years, the owners Mrs. Claude Harrison and Mrs. Harry Stout have sold to Mr. and Mrs. Paul Van Vliet who will take possession to-morrow, according to Mrs. Harrison.

The former owners and their husbands will continue to live here and they will assist Mr. and Mrs. Van Vliet for at least two months while the latter couple becomes acquainted in the area. The newcomers formerly lived in Reseda before coming here two months ago. They have a 12 year old son.

FIVE BOYS ARE BORN AT LOCAL HOSPITAL

Five boys, sons of local families were born within the past 11 days at Tahoe Forest Hospital, including James Alan, arriving May 2, weight 8 pounds, 11¾ ounces, son of Mr. and Mrs. Richard Mandeville of Kings Beach.

Hilding Thomas with an arrival weight of 6 pounds, 8 ounces followed on May 10, greeted by his parents, Mr. and Mrs. Erling Lund of Crystal Bay, Nevada.

May 11 was the birth date for two of the newcomers. Mr. and Mrs. Ray Brown of Truckee welcomed their son, Kenneth Ray, who tipped the scales at 7 pounds, 5½ ounces.

Bruce William were the names chosen by Mr. and Mrs. Stanley Tomlinson of Tahoe City. Baby Bruce's arrival weight was reported as 7 pounds, 2 ounces.

Yesterday morning Mr. and Mrs. Nicholas Sassarini of Truckee greeted their 8 pounds, 4 ounce son. His given names will be reported in the next issue of the Sierra Sun.

FEW COPIES OF LAKE SAGA AVAILABLE

E. B. Scott, author of The Saga of Lake Tahoe, the much-talked of history of Tahoe region, filled with interesting historic photos, has announced that no future printing will be permitted and is offering the remaining copies in limited quantities. In Truckee the book is available at Donner Trading Post and Loynd's Truckee Drug and when these are gone, Scott said, other copies will not be available.

50 ATTEND POT LUCK DINNER BY CHURCH

Fifty members and guests attended a pot luck dinner given by the Assumption Guild on Sunday May 3, at the Parish Hall.

After the delicious dinner, games and music were enjoyed. Since it was such a success the Guild hopes to have get-to-gethers more often.

The next regular Guild meeting will be held Tuesday May 25, at 8 p.m. at the Parish Hall.

Back From Trip—

Mr. and Mrs. Walter Haug have returned to the Sugar Bowl after a few days spent at Richards Springs and Shasta.

Snow Removal On Summit Supported By Local Agencies

While here Saturday to participate in the Truckee Donner Chamber of Commerce paintup project, State Senator Ronald G. Cameron said he would give all possible support to a plea by property owners and resort managers on Donner Summit to secure state relief for snow removal after the new freeway over Donner is completed.

The importance of this legislation, also being under Assemblyman Paul Lunardi, cannot be overstressed. Removal of the highway will place millions of dollars worth of resort property in the hands of Placer and Nevada counties for highway maintenance and cost would be virtually prohibitive.

Supervisor H. G. Loehr of Truckee and the Truckee Donner Chamber of Commerce, as well as individual interests are combining their efforts to find a solution to the problem.

Bills have been presented to the legislature and action this year is necessary, although construction of the new freeway may be delayed another two or three years depending upon the availability of federal and state funds to complete the giant job.

The bills, SB1286 and AB 2544 provide that whenever the highway commission relinquishes any portion of state highway superceded by relocation and the construction of a freeway . . . the department may with the consent of the county or counties to which the road is relinquished maintain snow removal operations on all or a portion of the state highway which has been superseded by relocation.

Awards Made For PTA Essay Contest

The final meeting of the Truckee Elementary P. T. A. drew a large and enthusiastic crowd Monday evening. First and second prize winners of the recently sponsored safety essay contest read their winning entries.

The youthful speakers were Pat Shane and Tod Bedrosian, 6th grade; Charles Trainor and Diana Pankoke, 5th grade; Jan Williams and Gail Englehart, 4th grade; Linda Russell and Len Vind, 3rd and 4th grade;; and Ken Bretthauer and Mike Larsen, 3rd grade. Honorable mention winners Anne Morey, David Sorani and Garee Lynn Stewart were presented with ribbons for their essays.

Presenting the awards in each division were Sgt. Frank Snyder of the California Highway Patrol, District Ranger Roy Sarni of the U. S. Forest Service, Miss Phyllis Carter of the high school physicial education department, and Erwin Single of the California Department of Fish and Game.

Mrs. Calvin Farley, president, then introduced John Corbin, superintendent of schools, who explained the forthcoming school bond issue.

One of the high points of the evening was the awarding of the room count banner to Mrs. Arlene Roth and her combined 3rd and 4th grade for the third time, thereby making Mrs. Roth the winner of the grand sweepstakes. The entire room will be feted with a party Friday afternoon, May 15th. Ice cream cups for the affair have been donated by Tony Pace of the Truckee Mercantile, lollypops by Mrs. Laura Horman of Donner Trading Post, cupcakes by the PTA executive board and special movies have been secured by the California Highway Patrol. All pupils—and Mrs. Roth of course—will be awarded special "We Won" badges which they will wear all day Friday in honor of their championship in this hard-fought race.

ART SOCIETY OPENS ADDITIONAL CLASS

Local artists and students who have been meeting each Tuesday evening at the Jolley studio, have voted to call their group the Sierra Nevada Art Society.

At the same time it was announced that a second segment of the same organization, concerned only with the landscapes will meet each Wednesday evening in the basement of the Catholic Church where Carroll Maynard will be the instructor.

Art students are welcome to attend either or both classes and may gain details by contacting Mrs. Edith Welch, Phil Jolley or Mrs. William Fordham.

Fishing Season In This District Will Open On Saturday

Prospects Good In Area; Donner Producing Many Limits

Reels are being oiled, lines tested and tackle sorted as thousands of fishermen get ready for the day of days—the opening of the trout season in the local streams and lakes Saturday morning.

Fishermen have every reason to be hopeful of a big season. The open winter permitted fish to grow and with the heavy plants by the fish and game department, there should be many more fish than at the opening of the season last year when streams were rim full and muddy from the late runoff.

Some confusion is bound to result as limits vary, Nevada County retaining the 15 fish limit and Placer a ten trout limit. However fishermen are not too concerned with limits as the weather, water and bountiful supply of trout promise a real fine season.

In the meantime, fishing in Donner Lake is reported almost "fabulous" as limit after limit is being reported, one fisherman reporting catching the limit in two casts of his line while fishing from shore.

Planting in both streams and lakes in the area is going forward.

Extra wardens will be on hand during the opening days of the season and fishermen are asked to familiarize themselves with the law before starting out.

PLANS ADVANCE TO HOLD ROTARY MEET AT NORTH TAHOE

CRYSTAL BAY — The principal speaker for a conference of the Rotary Club district 519 will be vice president of Rotary International, Stanley Leverton of London, England.

Top entertainment has been booked for the conference, said Rotary Governor Ed Combatalade. The conference will be held May 15, 16 and 17 at Crystal Bay, Nevada. More than 200 advanced reservations have been received and more than 1,500 persons are expected. Hosts will be the Brockway Rotarians.

Conference chairmen in each Rotary Club of the district have been doing everything possible to insure the best attendance they have had for any conference, Combatalade said. "Ladies of Rotary will enjoy this conference as much as their husbands," pointed out Doctor Allen Sklar, president of the Brockway Rotary Club. "We have trips to Squaw Valley where the 1960 Olympic Winter Games will be held, golf tournaments, bingo games and many other activities for the ladies."

This 1959 conference is the first Rotary conference in many years to be held on a weekend and all members of the host club are hoping that every Rotarian in district 519 can atend.

JERRY BECK NOW IN TRAINING AT ORD

FORT ORD. CALIF. — Jerry W. Beck, 17, a former student in the Tahoe Truckee High School is presently undergoing training at Fort Ord, having enlisted in the army April 1.

Jerry is the son of Mr. and Mrs. Olaf Beck and is well known among the younger set in Truckee.

The soldier is currently undergoing the first cycle of basic infantry training at this infantry training center. The eight-week training program consists of courses in troop information, general military subjects, tactical training and weapons instruction.

During the period of troop information, the soldier is instructed in achievements and traditions of the Army, military justice, maintenance and supply economy. These are to familiarize the soldier with his obligations, duties and personal rights while a member of the U. S. Army.

From South—

Mr. and Mrs. Art LeCuyer of Los Angeles came to visit Mr. and Mrs. Lauren Russell, who motored to Sacramento on Mother's Day to bring them to Truckee.

At Reno—

Mrs. Hannah Stewart was a guest of her family at Reno on Mother's Day.

To Salt Lake—

Mr. and Mrs. William Englehart left this week for a trip to Salt Lake, planning to visit points of interest en route.

SUNBEAMS

By WALTER M. BARRETT

Although it was not so intended, the youngsters who took part in the record breaking house painting project Saturday contributed support to proponents of a bond issue to be decided next Tuesday increasing the capacity of the district's schools. These students provided ample evidence that schools of the area are an important and deserving part of the community. Instead of attempting to foolishly crowd 40 or 50 into a telephone booth or a small automobile, 104 local young people crowded around a house to do a needed paint job while others unselfishly played in the band, drilled with the cadets or other wise volunteered their Saturday recess time. If our schools were not of highest standard, this course of action would not be probable, and we believe this trend should be encouraged through provision of all necessary facilities. Records show that the students in our schools are receiving excellent opportunities to learn and graduates are proving these facts. If more classrooms are needed, there can be only one answer to the question before the voters at Tuesday's election. We are confident the young people will not let the community down, if the community stands behind them.

Airport Tax May Be Voted By Board

There are many incidental expenses in connection with the operation of a government board and the Truckee Tahoe Airport District is no exception.

With this in mind, the board meeting Monday night discussed, without taking action, the possibility of imposing a five-cent tax in the district. Any action was delayed pending a meeting of the full board and also to permit receipt of opinions from taxpayers of the district.

The board members expressed themselves as being in favor of the action which, according to Zeph Rose, board chairman, would permit purchase of the proposed air field within a period of five or six years, and allow construction to be started on the landing strip.

Those wishing to make known their opinion relative to the tax may contact any member of the board. They are Rose, Rex Reid, Lee Apple, Fred Schultz, Walter Speeter or the secretary, C. Edmunds.

DRUNK DRIVERS ARE SENTENCED IN COURT

Three accused drunk drivers appeared before Judge F. W. Wilson this week and were assessed a total of $1051 in fines or a period of 106 days in the county jail. Two of the three, Robert Ingram of Crystal Bay and David Jackson Farley, Stockton, each paid a $263 fine and Troy Duke Bailey, Rolling Falls, Calif. elected to serve 56 days rather than pay $525.

Farley was arrested by the highway patrol after his car, standing across the highway east of Truckee caused an accident in which he and Marie Staples, 50, of Napa were injured. William Staples, driver of the second car, was not hurt.

Ingram and Bailey were arrested by State Patrolman William Gautsche who apprehended them driving down the center of the highway east of here.

LIONS DISCUSS AIRPORT

At last nights meeting of the Truckee Lions Club the main topic of discussion was the Truckee Tahoe Airport and the suggestion that a small tax be placed upon the district to defray the initial cost in getting the airport underway. No action was taken. Pictures of the last East-West football game were shown. Zeph Rose presided in the absence of President Frank Fox. Eight members of the Reno Arch Lions Club were present.

Guests From San Jose—

Mr. and Mrs. Gene La Force and children of San Jose were weekend guests at the Bruce Grow home. Mrs. La Force and sons are spending the week with her sister, Mrs. Grow.

Four Injured As Cars, School Bus Collide On Road

Car Wipes Out Guardrail On Summit In Freak Accident

Four people, including three high school students were injured, none seriously, Friday morning at 8:10 o'clock in a two car and school bus collision nine miles south of Highway 40 on State Route 89.

The mishap occurred, according to the California Highway Patrol, when a car driven by Michael F. Burke, 16, Tahoe City, attempted to pass the school bus driven by Lloyd J. Robinson of Kings Beach, and met a second car driven by Robert B. Gibson, 40 of Yuba City, headon.

Burke and the school bus were traveling north and the Gibson car south. The impact of the headon threw the cars into the side of the bus and one occupant, Ronald Peters, 14, Tahoe Vista suffered head injuries and was later taken from class at the high school and treated at the Tahoe Forest Hospital.

Also hospitalized were Gibson, Burke and the latter's sister, Moria Burke, 15. Michael has a broken leg and back injuries. It was necessary to call a second bus to transport the passengers to classes.

Hits Guardrail

Walter S. White, Sacramento barber, escaped injury when his car knocked out 90 feet of solid guard rail near Donner Summit Sunday evening when he attempted to pass a truck while coming down the grade and lost control of his car. He was cited for speeding.

James Herschel Smart, 50, San Leandro, and Jacqueline L. Nelson, 17, Kings Beach, were both cited for speeding when their cars collided at Kings Beach Saturday at 2:30 p.m.

NORTH TAHOE GROUP ASK REPRESENTATION

KINGS BEACH — A group of North Tahoe citizens, concerned over the lack of representation on the Placer Grand Jury and a proposal that a charter form of government may be established without full explanation of its effect upon the eastern section of the county, will attend a meeting in Auburn tomorrow evening for a discussion of the matter.

Asa E. Abbott said the meeting would be held at 7 p.m. in the board of supervisors chambers and they have asked that speakers be present from at least two counties now operating under the charter system to explain details.

They will also ask, Abbott said, why the eastern portion of the county does not have representation on the grand jury. Abbott pointed out that although the eastern section of the county has 20 per cent of the assessed valuation of the county and has shown 52 per cent of the building development during the past two years, there is not a single local person on the grand jury.

20-30 ETTES PLAN TO HOLD CANDY SALE

The Twenty-Thirty Ettes will hold their next meeting June 1 in the home of Mrs. Terry Tollefson when they will complete arrangements to sell candy during June, hoping to raise money for community projects.

Mrs. Robert Tonini, president was hostess to the group May 11 with Mrs. Herb Copeland as refreshment chairman.

LOCAL CAMPGROUNDS WILL OPEN SATURDAY

The Truckee District campgrounds, William Kent and newly rehabilitated Silver Creek, are to be officially opened on May 16th.

Newly rehabilitated Silver Creek campground, 8 miles south of Truckee on highway 89 replaces the campground at Truckee.

There is no campground at the Truckee Ranger Station due to new road construction. William Kent campground is two miles south of Tahoe City on highway 89. Both campgrounds have an occupancy limit of 14 days.

New Position Accepted—

Miss Eleanor Dominquez wrote friends that she recently accepted an interesting new position at San Mateo. Miss Dominquez is well known here where she attended school and was employed in the postoffice.

Water Pollution Is To Be Fought By Local Sportsmen

Because of the reluctance of those present to accept the presidency, the election of officers of the Truckee Outdoor Sportsmen scheduled for last Friday evening was delayed until the next meeting date.

In the meantime, Clarence E. Osburn, an ardent sportsmen and owner of Osburn's Buick Garage, has agreed to serve in the important capacity. Charles V. Osburn a past president and very active in sportsmen's affairs, will continue to serve as vice president and Mrs. Edith Welch will be retained as secretary.

The club has gone on record as strongly favoring passage of AB19-74, which will put teeth in the present law against water pollution. Senator Ron Cameron and Assemblyman Paul Lunardi have been asked to lend all possible support to the measure.

Oscar Schumacher, veteran sportsman, has pointed out the pollution which existed in the Truckee river last year and which might well be repeated this year unless definite action is taken to prevent it.

"Every man, woman and child who loves the great outdoors will want to see our rivers, creeks and lakes kept clean of pollution," Schumacher said, "and this can be done only by proper laws."

Emphasizinz the need for anti-pollution legislation, motion pictures were shown depicting the damage done by polluted water upon the fish life. Many state departments, including Governor Brown and the department of public health and others want this bill passed. Everyone is urged to contact their assemblyman and senator to ask their support.

Thompson Seated As Lions President

H. H. (Slim) Thompson was installed as president of the Truckee Lions Club at a reception and dinner held at Donner Lake Lodge Saturday night.

Other officers are Zeph Rose, first vice president: Paul Capel, second vice presidnt; Sherman Reams, third vice president; R. W. Siebold, secretary; Lee Apple, treasurer: Carl Forrest, lion tamer; Charles Baker, tailtwister; A. M. Anderson and Norman Mayfield, directors.

The installing officer was District Governor John Langhaus.

An honorary membership for his outstanding service to the club was awarded W. M. Englehart, Sr. by the district governor.

A 25-year chevron was awarded Norman Mayfield and N. F. Dolley anl Elden Tonini received 20-year chevrons. Fifteen-year chevrons went to A. M. Anderson, Nat Quilici, B. W. Reynolds and ten-year chevron went to Walter Loynd, L. D. Nelson, Jay Richards and the new president.

There were 58 Lions and guests at the meeting.

ANNUAL PARTY IS PLANNED BY LODGE

Plans of Truckee Chapter, No. 116 Order of the Eastern Star will be completed at the May 19 meeting for the annual party night to be held May 23 when officers from other chapters of northern California will be the guests of the local lodge officers.

Pearl Heller, worthy matron and Charlie Heller, worthy patron will preside at the affair, the theme of the evening to be Festival of Melodies.

Lucille Sauby will be chairman of the committee which will serve refreshments in the banquet room.

MURDERED MAN WAS EMPLOYED LOCALLY

Cecil Newsum, who apparently was murderded by his wife, Hester, who then shot and killed herself in their motel room at Placerville Sunday, had been employed on construction work in Truckee. Stover Smith, another local employe, discovered the bodies when he attempted to arouse Newsum Monday morning.

Police who investigated said Mrs. Newsum feared her husband's affection for her was cooling and she was afraid of losing him. The Newsums had been separated and she operated a lunch counter at Madera but joined Newsum a week ago and the three registered at the Placerville motel.

Record Set When House Is Painted By Local Students

Project Provides Climax To Big Paintup Job By Local Chamber

It took 104 youngsters just one minute, 56½ seconds to establish what is claimed to be a world's record for painting a house as the climax of the Truckee Donner Chamber of Commerce cleanup, paintup program was reached Saturday morning.

State Senator Ronald G. Cameron of Clipper Gap, who was accompanied to Truckee by Mrs. Cameron and their two young daughters, held the stop watch while Lou Reel, Pabco agent in this district gave the signal to start the painting.

The small dwelling owned by the Methodist Church and occupied by Mrs. Hannah Stewart had been previously prepared for the paint project by Rex Reid of Builders Service Center and the paintup committee headed by W. M. Englehart, Jr. The children, supervised by adults were issued paint cans and brushes and assigned to their particular location on the scaffolding and on the ground.

A couple of "dry runs" were made to acquaint the youthful decorators with the work expected and then at the sound of the whistle the brushes flew as the attractive green was applied to the building. Everyone did his or her section in good condition and praise is due each and every one who participated.

300 Spectators

Between 200 and 300 spectators gathered to watch the paintup and the well-trained Tahoe Truckee High School band under the leadership of Ross Price. The band played several march numbers and headed the parade up and down the main street.

Also in the parade were Miss Shirley Smith (Miss Donner Lake) and her two attendants, Miss Nancy Williamson and Miss Terry Ellis. The cadet drill team from the high school made a big hit with their precision drilling and all in all the program was colorful and entertaining as well as being beneficial.

John Corbin, superintendent of the school district, was master of ceremonies and he and C. W. Sciutto, high school principal, were largely responsible for the splendid organization of the young painters. Richard Walker presided in the sound truck.

Work Continues

While the record breaking house painting job climaxed the cleanup paintup program, it by no means ended it. The committee met Tuesday morning under the chairmanship of Zeph Rose and decided that it would remain active throughout the summer to assist in projects for the individual home owner or businessman.

While many local business places have been painted, there are others which have been delayed but work is continuing to have the entire area well spruced up by fall to offer an attractive appearance when the 1960 Olympic Winter Games are held at Squaw Valley.

The final scheduled affair in the program will be on the evening of May 23 when the Truckee Fire-Ettes will sponsor a dance at Veterans Memorial Building as a celebration for the work done.

ROSTER ANNOUNCED FOR BASEBALL TEAM

All Wakefield, manager of the Truckee Mountaineers, this week announced the roster for the local team in the Sierra Nevada Baseball League and said the first game will be played at Verdi at 2:15 p.m. Sunday, May 17.

Practices are held each Tuesday and Thursday at 5:30 p.m. on the local diamond.

Craig Robinson, star high school right-hander and Louis Goicoa have signed as pitchers and Bob Oates and Gordy Stewart will be the catchers. In the infield, Wakefield will have Floyd Cooper, Ernie Pello, Ed Frates, Frank Giovannoni and Otis Cluck. The out field will consist of Bill Campbell, L. J. Robinson, Louie Goicoa, Willie Curran and Joe Bravo.

RADIO FIRM ASKS TO SELL $50,000 STOCK

Secretary of State Frank M. Jordan announced the Squaw Valley-Truckee Broadcasting Company, a Nevada County radio broadcasting station, has filed articles of incorporation, to be capitalized at $50,000 in $1 par shares.

Directors of the firm were listed as Joseph W. Rupley, Orinda; Robert Sherman, San Francisco, and J. Warren Manuel, Oakland.

DAUGHTER BORN

Tamara Denise is at home with her parents, Mr. and Mrs. Rex Tollefson and sister Wendy, following her arrival May 2 at Reno, Nevada. The little girl tipped the scales at birth to 6 pounds, 2 ounces.

Mr. and Mrs. Clarence Tollefson are Tamara's paternal grandparents.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Regular Meeting, May 1, 1959

Present: John T. Trauner, Clerk; Wm. J. Cassettari, Deputy District Attorney.

The meeting was called to order by the Chairman of the Board at 10:05 a.m. and all members of the board were noted as present.

The minutes of the meeting of April 17, 1959 were read to the board by the clerk and a motion was made, duly seconded and passed unanimously, approving the minutes as read.

A motion was made by Supervisor Loehr, duly seconded and passed unanimously, directing the clerk to publish the proceedings of the board for the month of April, 1959, in the Sierra Sun at Truckee.

Mr. Don Hovan appeared before the board in regards to possible improvement to the Rattlesnake Road and the matter was referred to the Road Commissioner.

A letter of resignation from Mr. Kenneth Hathaway as Assistant Director, Nevada County Disaster Office, effective July 1, 1959, was accepted with regrets upon a motion made by Supervisor Loehr, duly seconded and passed unanimously.

A list of recommendations pertaining to the Courthouse was read to the board from Nevada City Fire Department, signed by the chief of said department, recommending certain improvements to be made in the County Fire Plan. The matters were referred to the County Purchasing Agent.

Mrs. Margery Worth, County Welfare Director, appeared in the board room and rendered the report of her department for the month of April.

Mr. Tevis Payne, representative of the Los Angeles County Fair, appeared before the Board and entered into a discussion on possible County participation in the next fiscal year. No official action was taken by the Board at this time.

Mr. Clare Hughes, County Purchasing Agent, appeared in the board room with an estimate from Miners Foundry on the possible rehabilitation of the Rocking Stone Tower in Truckee; said estimate to be in the amount of $5,464.00 and the matter was deferred until budget session.

A discussion was entered into with the County Clerk in regards to additional lighting in the Clerk's office, and an estimate as prepared by the Purchasing Agent was given to the board. A motion was made by Supervisor Smart, duly seconded, directing the Auditor to transfer sufficient funds from Unappropriated Reserves to the Courthouse Budget in the Remodeling category. Upon a roll call ballot a unanimous vote was recorded.

Senate Bill No. 1130 and Assembly Bill No. 2554 were read to the board by the clerk and the clerk was directed to write to the representatives of this district, notifying said representatives of the support of the Board of Supervisors for those particular measures.

At this time the board adjourned for lunch to reconvene at 1:30 p.m.

AFTERNOON SESSION:

The board reconvened at 1:35 p.m. and it was noted that all members of the board were present.

Mr. Charles Kitts, County Assessor, appeared in the board room and entered into a discussion on the possibility of the purchase of an accounting machine for use in his department. At this point Mr. Loehr asked to be excused from further attendance for a period of fifteen minutes.

Dr. George O'Brien and Dr. LeRoy Bond appeared before the board in regards to the contract with the State Health Department for the fiscal year 1959-60 and no official action was taken at this time pending further study by the board.

Mr. O. P. Stewart appeared before the board and requested consideration and acceptance of the map of the Banner Mountain Estates Subdivision for recordation. The matter was deferred.

Upon a motion made by Supervisor Smart duly seconded and passed unanimously the sum of $6,000 was transferred from reserves to the County Assessor's Budget for the purpose of an accounting machine.

At this time the Chairman of the Board stated that the Board of Supervisors would meet each of the four following Fridays for the month of May.

Mr. Downey Clinch, Airport Commissioner, appeared before the board and entered into a discussion on some of the problems facing the completion of the Airport and the runway, and stated that the rough estimate for the completion of the runway itself would be the sum of $29,500.00 A discussion was also entered into on the possible grading of the Airport and a motion was made by Supervisor Robinson, duly seconded and passed unanimously, directing the Clerk to issue a minute order to the Road Commissioner, directing said commissioner to grade the runway.

A discussion was ensued with members of the Airport Commission participating therein over the purchase of rock under the Looser-Litton Agreement, and a motion was made by Supervisor Smart, duly seconded and passed unanimously, directing the Clerk to issue a minute order to the Purchasing Agent to purchase rock at $.12 per cubic yard at a cost not to exceed $1,000.00

Mr. Arlie Hansen appeared in the board room and entered into a discussion on the possible rehabilitation of the Dog Bar Road. The matter after discussion was referred to Supervisor Bishop and the Road Commissioner.

Mr. W. W. Brunker, Finance Director, made a presentation on the formation of a Personnel Commission of the County of Nevada, and the following four persons were appointed upon a motion made by Supervisor Loehr, duly seconded and passed unanimously: Delmar G. Bennetts, Dr. Oscar Bailey, Thomas M. Dargie and Herbert C. Dodini.

There being no further business to come before the board at this time, a motion was made, duly seconded and passed unanimously, to adjourn to meet again on May 8, 1959 at 10:00 a.m. thereof.

W. W. BISHOP
Chairman of the Board of Supervisors.
ATTEST:
JOHN T. TRAUNER
Clerk of the said board.

DONNER SUMMIT NEWS

BY DONNA POWERS

MOTHER'S DAY

Mother's Day here on the hill was a tribute to our mothers who were honored by their families in many of the traditional ways. Some were served dinner or breakfast by members of the family. Others were taken out to dinner.

UTILITY DISTRICT MEETS

The Soda Springs Donner Summit Lodge was host at last week's regular meeting of the Donner Summit Public Utility District. Present were Board Chairman Harry Pratt, Director Max Williamson and Ray Carlysle, district accountant and advisor to the board. Uuable to be present was Director Bill Cannon. For business reasons Board Chairman Pratt expects to spend some time away from the Soda Springs area. This was the reason for his resignation as board chairman, favoring Max Williamson who accepted the position taking office immediately. Board Secretary Clyde Burkey delivered to the board copies of the new Ordinance 9 now to be known as Ordinance 62. The committee appointed by the board to revise the Ordinance has done much work on the rates charged to water users in the district, and the new Ordinance 62 states these. A great deal of discussion at the meeting was a rough draft from the office of Paul Chamberlain stating the rules of the district. Interested water users present at the meeting were: Mr. and Mrs. Ray McCarty, Mary Williamson, Mrs. Madeline Walton, Mrs. Elenor Johansen, Mrs. Betty Aro, Mrs. Ilse Bisson, Elmo Moriano, Art Coulliard and Donna Powers.

BOND ELECTION

May 19th citizens of the Tahoe-Truckee School District will make their desires known when they vote on the $390,000 school bond. We here on the hill are looking forward to future growth in our student population and are hoping the voters look favorably upon our needs. If passed, the addition of a classroom, multipurpose room, cafeteria, auditorium, storage facilities and a boiler room will be made at the Donner Trail School. The Donner Summit Community Club has invited John Corbin to its May 14th meeting to discuss with him the aspects of this bond election.

RETURN OF RICKY

Students of the Donner Trail School were very happy to see their classmate able to return to school. Ricky Schull who broke both his legs in a fall while skiing has mastered the art of walking on crutches with both legs in plaster casts. Before the crutches Ricky was a real driver in his wheel chair.

HOYFJELLET

The Hoyfjellet Lodge at Norden will be open this summer between June 27th and August 29th to a limited number of girls from 8 to 17 years of age, as a camp. The program for the girls will be built around the arts. The girls will enjoy classes in both ballet and modern dance. A Little Theater group will present finished productions including the stage work.

A varied program of outdoor activities will be conducted around sports, camping, and trips to historical Virginia City, and Squaw Valley.

After Friday evenings weather report we all expected rain or perhaps snow again this weekend making the third in a row. However, Mr. Sun was in the sky and it seems summer may be here. We hope so at least to welcome Mr. and Mrs. Jim Sherritt who have returned to their Soda Springs home.

MOVING HOME

Mr. and Mrs. Vince Lyddane have begun their move from the Meisner house in Soda Springs. The Lyddanes expect to complete their move back to their own home by May 17th.

HAPPY BIRTHDAY

Elizabeth Koester was the honored guest at a birthday party in the Snow Queen Coffee Shop in Soda Springs. Many of her friends were present to enjoy the party with her. Sherman Williamson, Laurel Mason, Bunny Board, Barbara Lyddane, Cecil Weatherfield, Tommy Gangler, Bradley Heckle, Philip Koester, Roberta Kaisor, Lynn Aro, Gloria Koester and Eliabeth all joined in the playing of parlor games, before the gifts were opened. Refreshments were served to the guests.

WHAT'S DOING

E. J. Bean, your Telephone Manager in Truckee-Tahoe.

1959 TELEPHONE DIRECTORY

Someone move in with you over the past year? Have a teenage daughter who wants her name in print? Want to spell out your first name instead of using an initial?

Pacific Telephone Manager E. J. Bean is asking these questions of phone subscribers here. He doesn't mean to be nosey but these and many other questions arise when it comes time to print the new telephone directory for 1959.

According to Bean, Friday, May 22, is the last day changes or additions should be made to the 1959 Lake Tahoe phone book. Anyone wanting to get a separate listing for their children or for others living in their homes or who want to change the way their names appear, should have them in to their telephone business office no later than this date.

It's important that they be in as early as possible Bean noted, so that they con be checked for accuracy and the necessary clerical work done before the closing date.

The directory is scheduled for delivery early in July.

Will you be looking for interesting programs for your club or church meetings next fall? Here's a suggestion: We have a big selection of entertaining films, and we're happy to let your group borrow them. They range from short, 10-minute features to hour-long color films of our great TV science shows, like Our Mr. Sun and The Alphabet Conspiracy (scene above). If you're interested, just give us a call here at the telephone business office, and we'll be glad to help you. Do it now, while films are still available for most dates next fall. No charge, of course.

FINED FOR FRAUD

Larry Miller, 22, of Murriata appeared before Judge Fosten Wilson of the Truckee Judicial Court on a charge of defrauding an inn keeper. Pleading guilty Miller received a five-day suspended sentence, a $25 fine, and he was ordered to make restitution.

More than 4½ square miles of the heart of San Francisco was destroyed by fire, following the April 1906 earthquake.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: Gary Grow brought a beautiful moth to school. It lived a week on our flowers. Now we have it pinned on our wall with our science pictures.

Gary Paddock told us about the trip which he and his mother made to Fallon last weekend.

Anne Hackett brought a piece of petrified wood to show to the class.

FIRST GRADE: Top students in arithmetic for this week were: Gary Schumacher, Joy Frates, Ben King, Diane Rose, Larry Doyle, Debby Wurst, Kathleen Collier and Kathryn Campbell.

SECOND GRADE: Second graders have been working hard on cursive writing. This is always a great goal for the pony-tail set.

Mrs. Patnoude has promised to help Mr. Sauby judge our posture parade next week.

Best spellers this week are: Sandra Eckerman, Kathy Decker, Bruce Leamon, Ryan Houlgate, George Franceschini, Curt Mullis, Elizabeth Richards, Claudia Rhoades, Terry Higgins, Tammy Richards, Elaine Barnes, Michelle De Lisle, Steven Silverii, Joe Merica, Sandra Ferdinand, Monte Neugebauer, and Steven Maynard.

THIRD GRADE: We are especially proud of these students this week: Kenny Bretthauer and Michael Larsen who won the bicycle essay contest. Stephen Schooley and Jerry Neugebauer for marked growth in spelling championship in arithmetic won by Dick Daniels.

THIRD AND FOURTH GRADES: We enjoyed the May basket brought by Wilbur Glenn. Many thanks too, to Charles Collier for the African violet.

New Class Officers for the month of May are: president, Len Vind; vice president Sue Olano; secretary, Ken Hensley, and treasurer, Donald Whiteneck.

FOURTH GRADE: Contributions to the share and tell program were donated by Terri Richards, Bill Waters, Mike Grayson, Darlynn Ingalls, Heidi Euer, and Marianne Moore.

The class congratulates Jan Williamson and Gail Englehart for their fine essays on "Safety".

For their wonderful accomplishments in spelling and writing, Chris Foster and Sharon Peterson earned special compliments.

John Goldsmith received special attention for his efforts.

FIFTH GRADE: The big event this week was the car designing and drawing campaign. Designs ranged from modern to ultramodern. Some of the more productive artists-designers were: Larry Digesti, Monty Straub, Karen Walker, Betty Saarni, Mark Moore, Steve Steiner, Dave Douglas, Kathy Kenyon, and Teddy Daniels.

SIXTH GRADE: We are sorry to see Willy Gomez leave.

Those who made 100 per cent in spelling were: Ronnie Conn, Tony Kenyon, Judy McGwinn, Marcia Leamon, Glenda Stark, Karen Schomaker, Marilyn James, Steven Davis, and Susan Pripple.

One hundred was achieved in arithmetic by Marcia Leamon, Judy McGwinn and Mike Sauby.

KINGS BEACH

SECOND GRADE: Duane Hubbard and Patricia Colclasure are the two new second graders in our room. This brings our enrollment to forty one.

Pat Cinani completed the reader "Down Our Way". He is now reading "Meet Our Friends".

Ardeth Hampton has been absent two weeks due to tonsilitis, and Candy Ehlers has been out two weeks also due to pneumonia.

SIXTH GRADE: Most of the class had to take a language test. Fives students passed it before. They were: Art Waddell, Jayne Shanty, Wendy Boatmen, Estelle Howell, and Sharon NyBlom.

Those getting 100 per cent in the weekly spelling test were: Ronnie Baker, Carol Bruce, Penny Clarke, Raymond Hill, Bob Holley, Susan Knapp, Tom Bernnan, Katie Schwieger, Holly shaw, Lisa Davis, Barbara Hutchison, Gary Snapperfield, Randa Fugere, and Estelle Howell.

Those bringing current events were Susan Knapp, Donnie Decker and Randa Fugere.

Our three new students are: Gary Hubbard, Gary Sappingfield and Alton Brazil.

The total enrollment of the sixth grade in the school is forty-eight.

TAHOE LAKE

KINDERGARTEN: New members in the Twinkle Star Club are: Julie Howard and Bonnie Nyberg. They have counted to one hundred by ones, twos and tens.

Pets coming to school during the past week: a kitten with Stephen Killbourn and a turtle wth Julie Howard.

FIRST GRADE: A busy week we had. Our mother guppies had babies again. The other guppies were big enough to put into the big tank. We made cards for Mother's Day too.

In social studies we made a long chart story all about our trip to the dairy at Genoa, Nevada.

SECOND GRADE: The second grade is preparing booklets of information on the trees and plant life at this elevation. After the information is complete a field trip will be held for the entire class to use their knowledge in collecting samples for classroom display.

TAHOE WEATHER

TAHOE CITY — With all gates closed the level of Lake Tahoe Monday was 6227.88, subject to revision. No precipitation was recorded during the week and the temperature ranged from 31 to 63 degrees.

Rev. Stanley Welch, Vicar
Serving all Christians
Holy Communion, 8 a.m. Sunday
Family Service, Sunday School and Bible Class, 9:30 a.m.
Morning prayer and sermon, 11 a.m.
For information call JU 3-3628.

COMMUNITY METHODIST CHURCH
Kings Beach
Bear and Dollyvarden Streets
Rev. Earl Leonard Langguth, Pastor
Sunday School (All ages) 9:45 a.m.
Divine Worship 11:00 a.m.
7:00 p.m. MYF

This Sunday Mr. Langguth will be preaching on "Do the Dead Sea Scrolls Threaten Our Faith?" Much has been said and written about the time of Jesus and perhaps about Jesus Himself and the origins of the Christian Church in these newly-discovered documents. Is our faith threatened? Will the new insight lead us to a new interpretation of the Person of Christ and the message of the Church?

We wish to thank May Brown and all those who worked with her to make the reception for Bishop Tippett such a success; also all of those who worked with her the Quarterly Conference the outstanding event that it was, and those who provided food and lodging for our ministerial guests from the Nevada Sub-district. To all of you our thanks, deeply and sincerely.

W.S.C.S.—Christian Fellowship Group. 1:00 p.m. Wednesday at the church, Mrs. Taylor in charge.

CATHOLIC CHURCH
Father P. J. O'Neill, Pastor
Truckee: Assumption Church 9:30 a.m.
Tahoe City: Corpus Christi Church 8 a.m. and 11 a.m.
Kings Beach: Our Lady of the Lakes Church 8 a.m. and 11:30 a.m.
Confessions, Saturday — Kings Beach 2:30 to 3 p.m. — Tahoe City 3:30 to 4 p.m.—Truckee 7 to 8 p.m.
May Devotions — After First Friday Mass (May 1) at 5:30 p.m. at Truckee and Tahoe City. Devotions during the remainder of the month of May on Friday evenings at 8 p.m. at Truckee and Tahoe City churches.
Daily Mass—Truckee at 7:15 a.m. Tahoe City — Friday and Saturday mornings at 8 a.m. (except first Friday—5:30 p.m.)
Hotels, motels and businesses please take note.

CHURCH OF THE MOUNTAINS
(Methodist)
John Albert Taylor, Pastor
Phone Luther 7-3637
Church School: 9:45 a.m.
Morning Worship: 11:00 a.m.

Whatever we say about life we cannot say it is easy or simple. There is too much about life that is complicated and confused. Failure and success, tragedy and happiness seems to go hand in hand. To live life in this world of ours requires a goodly measure of maturity and stability. Pastor Taylor will discuss the difficulties of existence in Sunday's sermon entitled, "No Childish Task."

TRUCKEE BIBLE CHURCH
(Non-denominational)
Roy S. Rhoades, Jr., Pastor
Sunday School 10:00 a.m.
Morning Worship 11:00 a.m.
Sunday Evening 7:30 p.m.

God carries out His purpose through His children. The question comes to mind, "How does God prepare us for His service?" The sermon title for Sunday's message will be "Moses in Midian."

Sunday evening will be the occasion at which the community will be given an opportunity of a helping hand in finances to Mel and Roena Moore. The offering taken at the showing of "Souls in Conflict" will be given to them.

WILLING WATER SAYS –
POURING WATER INTO A RAT HOLE IS WASTE
AND DROWNING YOUR LAWN BY SPRINKLING IS WASTE
STOP WATER WASTE
©AWWA

A sprinkler with an opening ¾ inch wide, running at full pressure will use 300 gallons of water an hour. This will cover a lawn or garden space of 2500 sq. ft. with 12 tons of water in ten hours, the equivalent of one inch of rainfall. In extremely hot weather this is enough sprinkling for one week—50 tons of water a month. In cool weather sprinkle less often. If a sprinkler runs over two hours every day, it is water wasted.

WATCH WATER WASTE

NEWS NOTES FROM TAHOE

NAOMI McLANE
Box 711, Tahoe City — JU 3-3187

The Women's Club of Tahoe elected officers for the new year beginning in June at their Thursday afternoon meeting at the Tahoe Inn. Serving again as president is Mrs. Ernest Le Pire. Mrs. Bill Wilt is vice president; Mrs. Steve Korich and Mrs. Phil Geier are recording and corresponding secretaries, respectively, and Mrs. Howard Guth is treasurer. The Club's annual Memorial Service was held. The next meeting will be June 4 at the Nevada Club at which time the new officers will be installed.

* * *

The season has got ahead of me. Several "old timers" have returned when I was not looking. Mrs. Forderhase came in several weeks ago and has opened her house up on the hill across from C. E. Bosens. Mr. and Mrs. Bill Conger have been up since the first of the month. They are building out at the Highlands.

* * *

Another new house which grows amazingly each day is the Leonard Bury home. Mr. and Mrs. James Ottie spent the weekend at their new home (still being finished) near Waleswood. Jim is staying all week but Dorothy had to return to Pleasant Hill for the children to go to school.

* * *

Mr. and Mrs. John Howard Marsh and their daughter, Nancy, who used to live in Tahoma and Lake Forest came up from Berkeley for a surprise visit this weekend. Nancy saw many of her former school friends and also took in the play, "You Can't Take It With You" at the high school. Other ex-students who enjoyed the play were Howard and Paul Cincotta who were spending the weekend from their home in Galt.

* * *

And the play was wonderful: Minor Rootes did a splendid amount of casting along with all the work that goes to make up a good play. I cannot speak of the work of each person here but would like to say that both children and adults enjoyed it thoroughly ano Tahoe Truckee High can be proud of itself. Now that a pattern of at least one full length play a year has been established school and dramatic classes will go—perhaps to have even one more each year.

* * *

Tahoe Park residents, old and new, year round and seasonal, are greeting each other daily at Sturges

* * *

Obexer's Market in Homewood is again being opened and managed by Youel and Arlyss Pritchett.

Pritchetts spent the winter at their former home in Brownsville, Texas. They say, "never again." The humidity was at 100 per cent too much of the time!"

Store which opened this month. It is beginning to look like summer.

* * *

Mr. and Mrs. Max Bretzfelder spent a few days last week in San Francisco.

* * *

Mrs. Jack Smith is opening her Tahoe Cedars Lodge in Tahoma this week.

* * *

The view on Pine Street in Tahoma is changing. The Bob Campbells have added a large wing to their house which already looks as if it has always belonged there.

* * *

The Nursery School of Tahoe City has fine plans afoot. This is to announce a Children's Fashion Show to be held at the Community Hall on Sunday, May 24 at 2 p.m. The children themselves will model clothes appropriate for school and play, some of which the mothers have made. Other clothing will be provided by Porters, the Village Store, both of Tahoe City, and by Cabonas of Truckee.

Refreshments will be served by a committee headed by Jeanette Moe assisted by Connie Gill, Naomi Plew and Pauline Keehn. Pauline and Jeanette's high school daughters, Diane and Barbara will serve. and Linda Scott and Linda De Walt will pour.

Other youngsters, older than the nursery school set, will be helping out. George Day, Eddie Gill and Breezie Cross will usher.

Working committees and their members are: Decorations, Bernie Banta, Ivy Kimball, Cliff and Naomi Plew: Dressing: Pat Cross, Ivy Kimball, Elaine Peterson, and Bernie Banta; Tickets: Pat Cross. Carlene Bol is directing the rehearsals, Evelyn Gould, the nursery school teacher, is playing the piano, and Mickey Day will serve as Commentator on the costumes.

Tickets are now on sale for 75c. You may buy them from any nursery school mother or call Pat Cross at JU 3-3040. The nursery school mothers have worked very hard all year to keep their organization going. Now that they are assured of enough members their need more money which is the purpose of this little fashion show. It promises to be a charming event and it is hoped that many of you will go even if your own nursery schoolers are now in college or perhaps nursery school mothers themselves!

You can get a citation for throwing trash from your car—don't take a chance—carry a trash bag with you for car litter.

Mt. Rose Road Will Be Closed During Olympics

The Nevada Highway Department will make no effort to keep the Mount Rose Road open as a short cut between Reno and Lake Tahoe during the 1960 Winter Olympic Games.

The National Gallery of Art at Washington, D. C. was established March 24, 1937.

Offers Auto Policy with "Nothing-to-Pay" Collision Feature!

This State Farm agent announced today a special feature of collision coverage under the new State Farm auto policy: *nothing to pay* when two State Farm insured cars collide! In such cases, State Farm pays repair bills *in full* for policyholders who have "deductible" collision insurance.

"This protection," he added, "is just one of 44 extra-protection 'Star Features'—part of the broadest policy ever offered by State Farm." For complete information, without obligation, call:

DONNER DOINGS

BY VIRGINIA O' BEAR

Mrs. Anthony St. Clare has returned from the bay area where she spent last week visiting relatives and friends. She came back with a new hair style that is very becoming.

* * *

Dr. Charles Widemann of Vallejo, has started rebuilding his summer home here. For the past several weeks carpenters have been busy with the new home to replace the one that was destroyed by fire just a year ago, Easter.

* * *

Mr. and Mrs. Frank Stewart are finally settled in their new home that they recently purchased from Mr. John Sbaffi of Nevada City. Their daughters, Susan and Garee Lynn, think it is wonderful to be living at Donner Lake.

* * *

Mrs. Grace Heitz has just returned from Healdsburg and Ukiah after spending several weeks with relatives and friends. She found that the foundation had been poured for her new home that she is having built on the lot west of Donner Pines motel.

* * *

Miss Shirnell Hansen has five stitches in her knee as she fell during the noon hour at school this week. Also on the casualty list is Bill Garayalde. He has his wrist and part of his hand in a cast due to some broken bones suffered in a mishap at school. Most of the youngsters in the Donner area are back in school now but for awhile most were out with flu, measles, mumps and colds.

* * *

Fishing is very good at Donner Lake now. Everywhere you looked Saturday and Sunday you would see most everyone with their limits of beautiful trout. Little Donna Horman, age five, caught one and was so excited she could hardly land it. Needless to say, she had it for dinner. Mike O'Bear, age four, went fishing a few weeks ago but he didn't catch anything but a cold because he fell in the ice cold water.

The only thing that upset Mike was that his mother caught him instead of his fishing pole that he thinks so much of. He couldn't understand why he was grabbed from the deep water and the pole was left to be "rescued" later.

* * *

The Donner Lake Volunteer Fire Department has eleven brand new fire helmets hanging on their fire truck now. Four more will arrive any day to insure the safety of the firemen when they are out on call. A fire drill will be scheduled soon as the one set for Sunday was postponed because of Mother's Day.

* * *

The Donner Lake Volunteer Fire Department and the Ladies Auxiliary are busy preparing a float to advertise the Donner Lake Regatta which they are sponsoring again this year. The newly crowned Miss Donner Lake, Shirley Smith, will be the center of attraction on the colorful float along with the princesses, Nancy Williamson and Terry Ellis. The court will accompany them including Nancy Watts, Anita Diaz, Sharon Tremayne and Terry Beck. The parade will be in Marysville and Camp Beale this Saturday, May 16, The next parade will be in June when the Desert Boat Club will accept our entry in Reno. On the Fourth of July, the float will be entered again in the big celebration and parade in Reno. In between these activities, arrangements are being made by the advertising committee to have these young ladies shown on television in order that they can advertise our Donner Lake Regatta, which will be July 12.

* * *

Members of the Ladies Auxiliary will be notified by telephone by Mrs. Charles Sciutto, Mrs. Robert Pankoke and Mrs. Charles O'Bear concerning the next dinner and business meeting which will be May 21. The meeting place is still indefinite and non-members are welcome. For information telephone one of the three members listed above.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

Mother's Day was bright and beautiful, just as it should be in honor of those wonderful souls.

VISITING SOUTH

Harvey and Babe Klitzke left May 5th for Hollywood on business and pleasure. Just had a note from Babe telling us that her sister, who is very ill, has had somewhat of a relapse. Very sorry to hear that, she is such a beautiful girl, too. We are hoping to hear of some improvement.

MORE VISITORS

Dr. and Mrs. Garson Beskind returned to Kings Beach for a short visit. They own a house opposite Riollo's. Steve Riolo has been up off and on during the past couple weeks. He hopes to open his restaurant up at any time now.

NEW OWNER

Visited the gift shop formerly Olson's of Tahoe, was surprised at the excellent supply of novelties and useful articles that fill the shop. Had the pleasure of being one of his first customers. See his ad on another page. Go see the shop of "Len's of Tahoe"—'swonderful!

AT HOME FOR SUMMER

Art and Irent Dibbern of Glendale are up for the summer at their home in Tahoe Vista. Irene is the daughter of Mrs. Malla of Kings Beach, who, by the way, is coming along very well in her illness. That's wonderful news.

VILLAIN

Had Jack Van Allen, villain in the Drunkard, in to visit today. He says after their success, bigger and better plays are in store for us in the near future.

MORE VISITORS

The Sam Harrisons had as their visitors, Audrey's sister and husband, Mr. and Mrs. Sam E. Bublick of Chicago. Also Mrs. Lawrence Ferges of Racine, Wisconson and another friend, Mrs. Gladys Gottlieb.

RETURN

Very glad to see Wendy and Ginger Schumacher back in town for the summer after wintering in Iowa with Ginger's mother.

SICKNESS

We saw Lil King. She was looking very well. Yes, Joe, too, has been under the weather. Hope both will be much improved by summertime.

MOTHER'S DAY VISITORS

Gwen Robinson's mother has been here for the past week or two, nice to see her.

FLYING HIGH

Constable Harry Johanson left by air Sunday for his native Sweden after thirty years of absence. happy landings to him.

Don't throw lighted matches or burning tobacco from your car; use your ash tray and help keep California green and golden this year.

It has been established that home accidents account for five million accidents a year, of which 780,000 result in disability.

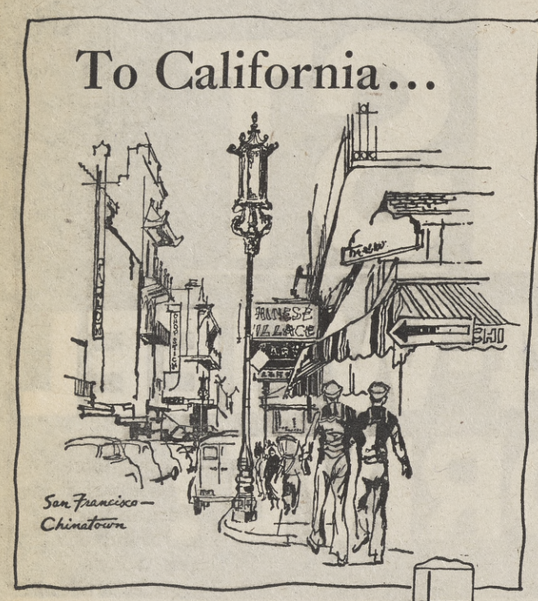
To California...



a glass of beer is many things

There's always something new to see in San Francisco's fascinating Chinatown. It's one of the city's most unique attractions. And just as unique is a good glass of beer. Californians agree it's always a new, bright experience in refreshment.

And beer means something more than refreshment in California. To farmers, for example, it means better business. Last year alone California farmers received over $21 million from the Brewing Industry . . . *just one more reason why beer means better living for Californians.*

CALIFORNIA HOTEL SOLD BY MRS. GREEN

The California Hotel, Eighth and I Streets, Sacramento has been sold for about $550,000 to the recently formed Sacramento Park Central Towers, Inc., preliminary to its conversion for office building use.

The seller, Mrs. Thiel A. Green, widow of hotelman Matt Green, and the corporation investors were represented by Moss and Moss.

Mr. and Mrs. Green, were former owners of the Tahoe Tavern and were well known here.

TAHOE ITEMS

Each week more Lake Tahoe residents, away part of the year are returning for the summer. This week many were greeted by snow including:

Mr. and Mrs. A. J. Ketman of Menlo Park who are opening their office at Carnelian Bay for the season.

Mr. and Mrs. Fred Cunningham have returned to Homewood after wintering at Phoenix, Arizona.

Reversing the incoming trend, the Joby Lewis address has changed from Crystal Bay, Nevada to Los Angeles.

The M. K. Gordons who have been at Cathedral City are renewing friendships at Crystal Bay.

STRICTLY STRICKLAND

By Bill Strickland

Members of the Sierra Nevada Sportswriters and Broadcatsers Association were treated to a helicopter tour of the Reno, Lake Tahoe, Squaw Valley area, last Monday. Not only did it afford an excellent view of the country for the sportswriters, but it was also a preview of the big twin roter 'copters that will be on display at Stead Air Force Base on Armed Forces Day, Sunday May 17. The big helicopters will do everything the smaller ones do, but without the feeling of being in something the size of a sports car. They are real steady, stable and smooth.

Had an air-mail letter from Bob Strickland yesterday, from Fort Knox Kentucky. He took advantage of the Volunteer Army Program and enlisted April 27. He will be assigned to an armored division about 40 miles out of Munich, Germany after he finishes his basic training at Fort Knox.

He will also compete for the U. S. Army in all of the European ski meets for the next three winters. At the conclusion of thirty three months over seas he returns to New York City to attend the Army Information School for three months.By that time he should be pretty well equipped to start college. The peace time army is certainly different.

REPORT SHOWS LOCAL OFFICERS WERE BUSY

During the Month of April the sheriff's deputies in Truckee answered 97 calls and made 46 arrests' four of them on felony charges, Chief Deputy Roy Waters announced this week.

The felony investigations included three burglaries, two Dyer act violations and one each for forgery, bad checks, grand theft and armed robbery. The loss from the above was $1824.08, Waters said.

Misdemeanor complaints investigated included four petty thefts in which $212 was lost, 21 drunks, seven disturbances (homes), five malicious mischief, seven animal bites, one mental case and 26 others. Thirteen drunk driving cases were handled.

There were only two juvenile arrests during the month.

A Refreshing Tradition

Your neighborhood tavern is part of the American tradition. Like the inns of olden times, today's tavern provides a friendly haven for relaxation and refreshment. Some equally refreshing traditions have been established in connection with light Olympia Beer. It has been brewed by three successive generations of the founding family . . . under the original policies and quality standards . . . with the same source of naturally perfect artesian brewing water . . . since 1896. The brewers of Olympia salute the modern tavern proprietor for keeping alive the traditions of hospitality for which the tavern has always been noted.
"It's the Water"
that makes Olympia Beer refreshingly different

FILMS WILL BE SHOWN AT CHURCH MEETING

An invitation to attend the seventy-five minute color film, "Souls in Conflict" Sunday is extended to all in the community by the Truckee Bible Church. The picture is filmed against the backdrop of the Billy Graham London Crusade and portrays honest and intriguing reactions by widely separated social groups to the concept that God intervenes in the daily life of the individual.

Many in Truckee have come to know Mr. and Mrs. Mel Moore this past year. They arrived here last June as newlyweds and have had a busy time of preparation for missionary service in Japan. The Moores will be leaving Truckee in three weeks, first to go to Canada to receive further instruction from their own mission board; and then on for deputation work which will probably extend over a period of a year and a half. The offering will be given to the Moores to help them on their way to Canada.

Famill Visits—

Mr. and Mrs. Harold Langille returned to Berkeley where they visited his parents Mr. and Mrs. J. C. Langille on his father's 88th birth date. Mr. and Mrs. James Leamon of Tahoe Valley were Sunday visitors at the home of the local couple.

CARD OF THANKS

I take this opportunity to express my appreciation for the support given me at the recent Truckee Public Utility District election. Although I was not a winner, I nonetheless appreciate the vote received. I also wish the board members every success during their coming terms.

Charles Vind.

REALTORS AT LAKE PLAN MULTIPLE LIST

KINGS BEACH — A proposal to form a Multiple Listing Service was discussed at the meeting of the Tahoe-Sierra Board of Realtors at a dinner meeting held Wednesday evening. May 5, at the Trade Winds.

Principal speakers at the dinner, attended by 18 of the 21 members of the board, were Norman Spanjer, secretary of the Placer County Board of Realtors and Cliff Merriam, a realtor of the Placer County Multiple Listing Service.

A definite decision of whether the agency shall be formed at Tahoe will be made at the next meeting May 20, Dave Gaynor, president of the Tahoe group, said. Ira Blair is the secretary of the Tahoe-Sierra Board.

Details of the multiple listing plan were discussed. Under the plan, a client listing his property with his choice of realtors, would be afforded the services of all participating realtors without additional cost and the possibility of an early sale would be increased. By the same token, realtors handling the sale would share equitably according to rules of the service.

In Sacramento—

Mr. and Mrs. Dave Morey and children, Daven and Anne, spent mother's day in Sacramento.

Houseguests—

Mr. and Mrs. A. E. Burlingham had as their recent houseguest her son-in-law, Dee Ramsey who is stationed with the U. S. Navy at Honolulu, Hawaii.

The Challenger Deep, south of Guam in the Pacific Ocean, is the world's greatest known depth, 35, 640.

Emerald Bay Issue Dead For This Year

A resolution aimed at providing an all-year highway around the west end of Lake Tahoe, at scenic Emerald Bay, has been put out of action in the assembly and apparently is dead for the rest of the 1959 session, Capitol News Service reports.

The measure, SCR13 by Sen. Swift Berry (R-Placerville,) had been approved by the senate and was approved by the assembly committee on transportation and commerce after lengthy hearings. It called on the division of beaches and parks to provide right of way for a low level route through two state parks. It also called on the division of highways to construct the low-level route, which includes a bridge across the mouth of Emerald Bay.

The assembly sent the bill to the ways and means committee for consideration of financial implications. However Paul J. Lunardi (D-Roseville), who handled the bill in the assembly, said he doesn't expect the bill ever will be heard by the committee.

While Gov. Edmund G. Brown had taken no outward position on construction of the all-year highway, two of his most high ranking and trusted lieutenants in the assembly joined in scuttling the resolution. They were Assemblyman Jesse M. Unruh (D-Los Angeles), the governor's floor leader in the lower house, and Assembly Thomas J. MacBride (D-Sacramento), who is carrying all of Brown's new tax program.

Lunardi said the present high level route is crooked, dangerous and subject to closure every year from snow and slides. He said the improvement of the high level route, as espoused by the division of beaches and parks, would cost many more millions of dollars.

Such an improvement, he said, would require two tunnels (3,000 feet or more long), as well as a bridge.

MacBride said the B&P division had spent $1.5 million in the two state parks involved, mainly in construction of some 235 camp sites. He said the low level route would destroy 38 of these camp sites.

Denies Involvement

Reports the state administration had a hand in defeating an Emerald Bay Bridge resolution were denied by Governor Edmund G. Brown.

The assembly this week referred a senate resolution calling for a bridge across Emerald Bay, Lake Tahoe, to the ways and means committee, This is believed to have killed the resolution.

"I had nothing to do with it myself," said Brown. "Published reports to that effect are just not true."

The governor explained the state park commission was openly against the resolution and the department of public works was for it, and that while he had intended to look into the matter, he never did.

RENO FLOWER SHOW WILL BE HELD SOON

The Reno Flower Show will be held Saturday, May 23, at the California Building in Idlewild Park, Reno. and is sponsored by the Garden Clubs of Reno, Sparks and Carson City. The show will be open to the public from 1 to 9 p.m. and there is no admission charge.

This show is open to all gardeners and flower lovers. They need not be a member of a garden club to enter and we urge rural and outlying towns to display their plants and flowers this year. Entries will be accepted Friday, May 22, from 7 to 9 p.m. and Saturday May 23, from 8 to 10 a.m.

On Tour

Twenty-eight motel and hotel owners of Reno Monday were taken on a conducted tour of Lake Tahoe, visited at Squaw Valley and had lunch at Smart's before returning home. They were conducted by Robert McMahon, housing director for the 1960 Olympic games.

FAVOR BOND

We, the members of the executive board of the Truckee elementary School Parent-Teachers Association, wish to state publicly that we stand in favor of the school bond issue to be voted on at the bond election on May 19, 1959.

Because of the rapid and tremendous increase in school enrollments, because of the overcrowding of present facilities in the Kings Beach and Donner Trail Elementary Schools and the urgent need for additions in these schools, and because as a UNIFIED school district we feel we must consider the needs of each of our individual schools, we strongly urge all of you to place the education of all the children of the district FIRST and hence recommend a "YES" vote on May 19th.

Signed:

The Executive Board, Truckee Elementary Parent-Teachers Ass'n.
President, June Farley
1st Vice President, Julia Davis
2nd Vice President, Weston Sauby
Secretary, Colette Goicoa
Treasurer, Lorrin Ferdinand
Parlimentarian, Hilda Hintz
Historian, Clarene Saarni

POPPY SALES TO BE STARTED ON MAY 16

BY PEARL MOORE

CRYSTAL BAY — V. F. W. Auxiliary No. 7077, Lake Tahoe, Buddy Poppy chairman, Virgina Kornazewich, states the members of the Auxiliary will start the 1959 Buddy Poppy sales, Armed Forces Day, May 16, hours 9 to 5 in the Crystal Bay area. This is the first date of two weekends scheduled. The second date to be May 23 in the Kings Beach, Tahoe City area.

How important is your donation and the Buddy Poppy? Big enough and important enough to maintain a nationwide system of V.F.W. service officers so that somewhere today a former veteran who is in need of help can go to him for direct and prompt assistance.

We all know someone who is now spending or has already spent weeks and months in a V. A. hospital. Perhaps we know someone who will never leave the hospital. Some of these veterans are in hospitals far from their homes and families and friends. Service officers, Post and Auxiliary members, acting in your behalf, visit these men personally, exchange a friendly handclap , a cheery greeting, arrange special parties, bua a special gift or furnish a pack of cigarettes, all because the proceeds from Buddy Poppy sales provide funds to suppport the V. F. W. hospital and rehabilitation program.

The greater part of the money raised by the Buddy Poppy remains in our local communities where it is spent during the year in comunity service work.

There can be no better nor easier way to honor the dead than by serving the living, than to buy and wear a V. F. W. Buddy Poppy Saturday, May 16 or May 23.

TAHOE STORE GETS NATIONAL MENTION

TAHOE CITY — John Palmer is justly proud of an article in the May issue of Mademoiselle, currently on the news stands, which carries a national survey of summer dresses, play clothes and swim suits and editorially mentions the Riviera Resort Clothes of Tahoe City and Kings Beach.

"I am naturally gratified with this recognition, but I have worked hard to maintain standards and a reputation here that have made us known throughout the country."

Palmer said the new salute came right after several boosts from another magazine, Seventeen last season which mentioned the Riviera and showed photos of the designs. As a matter of fact Seventeen showed the designs three times.

Tahoe Fish Survey Asked In Petition

SACRAMENTO—(CNS)—A resolution calling for a five-point program aimed at improving fishing in Lake Tahoe has been introduced in the assembly by Assemblyman Paul J. Uunardi (D-Roseville).

The measure is a house resolution and needs approval only of the lower house.

The resolution noted the growth in the Lake Tahoe area offers a tremendous opportunity for development of sport fisheries.

"All indications are that game fish are far less abundant in Lake Tahoe than they once were, both in numbers and in weight," the resolution said. "The cause of the apparent decline in abundance are not known and are difficult even to guess on the basis of avilable information."

The resolution requests the department of fish and game to make a "thorough and extensive study" at a resonable cost to include these points:

1. Determine approximate production of game fish in past years. to gain some idea of the potential fish production and how much of it now is being realized.
2. Test possibilities of stocking large numbers of trout of various strains.
3. Study interrelationships of game and forage species, and the food chains of the game fish, with the hope of finding new forage species to introduce.
4. Test importance of lake tributaries to sport fisheries.
5. Carry out chemical and limnological sampling as necessary to provide a clear picture of the interrelationships of the fish present and various facets of their environment.

NEW LODGE TO BE BUILT AT TAHOE

TAHOE VISTA — Construction of an $800,000 luxury lodge on the north shore of Lake Tahoe will be undertaken next month by a group of Oakland area investors.

Ground for Tahoe Klahoya will be broken about June 15th and construction of the first 40 units will be completed for the Winter Olympics next year.

The site is on the lake shore in the Tahoe Vista area three miles from the California-Nevada line and 14 miles from Squaw Valley, where the Olympics will be held.

Klahoya is the Washoe Indian word for welcome.

H. Ducan Malloch, Oakland builder and investor, is president of Tahoe Klahoya. Other officers are Harold G. Lorentzen, Oakland civic leader and floor covering contractor, vice president; and William J. O'Reilly, Oakland insurance and surety bond broker, secretary-treasurer.

NEVADA COUNTY TO SHARE LIQUOR TAX

SACRAMENTO — (CNS) — The state Department of Alcoholic Beverage Control has announced distribution of $6,201,229 in alcoholic beverage license fees and fines to cities and counties, including $22,047 for Nevada county.

The county's apportionment included $11.591 for the unincorporated area.

The distribution represented license fees and payments of compromise, in lieu of license suspension, for the six-month period ending February 29, 1959. Of the total collected, 10 percent is held by the state for the general fund and the remaining 90 percent is distributed semiannually to counties and cities.

BEER DISTRIBUTOR PRESENTS PROGRAM

TAHOE CITY — The return of George Kehlet and Howard Barker brought the attendance to Tahoe City Rotary Club dinner meeting on May 5 to 34. Visiting Rotarians were Wiley Jones of Brockway, Bill Randall of Truckee and A. H. Mullen of South Tahoe.

Bill Randall, distributer for a brewing company, supplied the after dinner program with samples of beer and a movie film entitled, Highlights of the San Francisco 49ers football season. Dave Gaynor was program chairman. Martin Spitsen presided. With Randall were, Leo Smisek and Bill Meister, both of Truckee.

"Butch" The Sierra Beaver Sez:

The lightning flashed and the thunder roared, and all the world was shaken,
The little pig rolled up his tail and ran to save his bacon.

Speaking of good wood, the curing and processing of fireplace wood requires special attention.

Wood suitable for storage inside of buildings attached to the main dwelling should be cut early in the spring and properly cured in the open air and sun in order to preserve the heat properties and the clean odor of carefully handled fireplace wood.

Wood left to rot and mold in a heap loses a big part of its heating power and acquires a moldy odor.

If you want to be sure of your winter's supply of good clean dry wood, place your order now for fall delivery.

Dry wood is available now also.

Tarzan

by EDGAR RICE BURROUGHS

ON THE BRINK OF DEATH.

DESCENDING AN UNMAPPED JUNGLE RIVER CAN BE A DEADLY CONTEST OF **MAN** AGAINST **WATER** WITH **MAN** HANDICAPPED BY NOT SEEING THE **RIVER'S** TRICKERY UNTIL TOO LATE. ONLY THE URGENCY OF PROFESSOR PLANDOME'S MISSION TO THWART ENEMY SCIENTISTS MADE TARZAN RISK IT-- ON A RAFT.

TARZAN'S ONLY CHANCE TO ESCAPE THE JUNGLE WATERFALLS WAS TO RAM THE RAFT INTO MIDCHANNEL ROCKS-- JUST ABOVE CERTAIN DEATH...

...FOR A DAY, A NIGHT, AND ANOTHER DAY, THEY WERE DANGEROUSLY MARooned, TOO NEAR THE DEADLY ABYSS FOR EVEN TARZAN TO SWIM THE RAGING CURRENT TO SAFETY.

THEN PROFESSOR PLANDOME MADE HIS ANNOUNCEMENT: "PATIENCE, TARZAN! BUT ONE MORE NIGHT AND WE'LL BE SAFE ASHORE."

HOW DOES **HE** KNOW WE CAN GET TO SHORE-TOMORROW! HE CAN'T SWIM!

PERHAPS HE HAS A **SCIENTIFIC** WAY TO GET SAFELY ASHORE-- WITHOUT SWIMMING! HE DOESN'T SEEM AS WORRIED AS WE ARE!

ALL THROUGH THE NIGHT, PROFESSOR PLANDOME - MORE AND MORE CONFIDENTLY - STUDIES THE POLE HE'D STUCK, WITHOUT BEING OBSERVED, INTO THE RIVER'S TORRENT...

BILL ELLIOT JOHN CELARDO

EXCELLENT! JUST A FEW MORE HOURS- I **HOPE!**

TARZAN, **LOOK!** THE RIVER'S **DRIED UP!** PROFESSOR! HOW DID **YOU** KNOW THE RIVER **WOULD** DRY UP- FOR US!!

YOU DIDN'T NOTICE, ITO, THAT I STUCK THIS POLE HERE, AFTER WE CRASHED- TO SEE IF THE RIVER WAS **RISING** OR **FALLING.** THANK HEAVEN THERE WASN'T ANOTHER STORM UPRIVER-- WE'D HAVE BEEN SWEPT OFF OUR TEMPORARY ISLAND!

5-17-47

A SCIENTIST, ITO, USES HIS **BRAINS** RATHER THAN HIS **MUSCLES!** THIS SHOULD BE A VALUABLE LESSON FOR YOU!

ITO'S LESSON: A JUNGLE RIVER CAN RISE MANY FEET OVERNIGHT, AFTER A HEADWATER'S RAIN-OR DRY UP QUICKLY ONCE A STORM'S RAINWATER RUNS OFF!
